

SUPERIOR CONTROL AND FLEXIBILITY START WITH *NEW* ANTHEM™ HERBICIDES

- Pre or Early Post Control in Corn
- New Class of Chemistry
- Broad-Spectrum Control of Broadleaves and Grasses
- Long Residual Protection
- Wide Window of Application
- Low Use Rates

BREAKTHROUGH CHEMISTRY BREAKS RESIDUAL CONTROL STANDARDS

Anthem™ herbicide is unique among preemergence and early post herbicides. For one thing, the active ingredients in this new chemistry offer more pathways of control for less chance of resistance. In addition, while other residual herbicides can start to fail at around 30 days, Anthem is still controlling weeds at up to 70 days.

Anthem

Commercial Standard

Commercial Standard

Start clean and stay clean longer on your no-till or minimum till acres

Planting Date

Up to 45 days pre

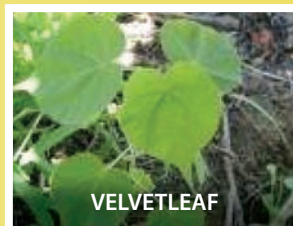

Pre or early post, maximize in-crop residual control on your conventional till acres

APPLICATION FLEXIBILITY OFFERS MORE OPTIONS

Anthem features an application window so wide – 45 days preplant to V4 – that it provides greater flexibility to match your application strategies.

BROAD SPECTRUM FOR TACKLING TOUGH CHALLENGES

Hard-to-control weeds like waterhemp aren't a problem for Anthem™ and Anthem ATZ. They deliver broader spectrum, longer residual control of broadleaves and grasses, including resistant weeds.

MAJOR BROADLEAVES INCLUDE:

Waterhemp
Palmer amaranth
Pigweed species
Nightshades
Prickly sida
Lambsquarters
Velvetleaf
Morningglory

MAJOR GRASSES INCLUDE:

Foxtail species
Crabgrass
Fall panicum
Woolly cupgrass
Seedling Johnson grass
Red rice
Barnyardgrass
Italian ryegrass

USE LESS GET MORE

Anthem is a low use rate herbicide. Eight ounces is all it takes for an acre of protection. Traditional herbicides take five times this amount. A lower use rate translates into big savings: time saved transporting and handling product and recycling containers, money saved in fuel costs and storage space saved.

For new Anthem herbicide and Anthem ATZ herbicide,
see your FMC Star Retailer, call 888-59-FMC-AG or visit FMCcrop.com.
